THE LEGEND
MAJESTY & FANTASY

Part of The Legend

With **The Legend**, BLOQ introduces a carpet tile collection that captures the beauty of time and texture in contemporary interior design. Supported by full vertical integration and in-house yarn production, BLOQ guarantees high-quality craftsmanship, ensuring durability and excellence for high-end retailers and design enthusiasts alike.

The Legend Collection features mature, natural tones with a subtle patina – colours reminiscent of weathered, chalked houses and timeless rural barns. This collection offers a calm, harmonious aesthetic through 50 × 50 cm tiles, providing depth, softness, and character in equal measure.

THE LEGEND

MAJESTY & FANTASY

Inspiration
is everywhere

Part of a bigger story

The Legend Collection, featuring GLORY & ETERNITY, is enriched by the understated elegance of MAJESTY & FANTASY, two complementary designs that bring softness, harmony and refined layering to the floor.

MAJESTY

Available in 16 ultra-soft solid tones, MAJESTY offers a calm and balanced foundation with a luxurious tactile feel.

FANTASY

FANTASY introduces subtle striped expressions in two sophisticated patterns, adding gentle rhythm and visual movement.

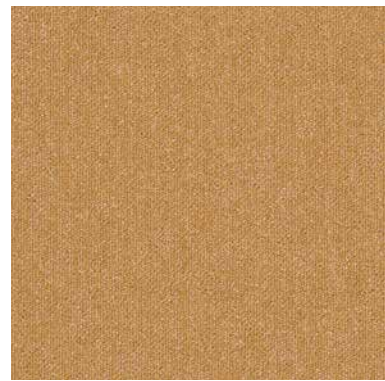

Together with GLORY & ETERNITY, they create serene, layered interiors with depth, nuance and effortless cohesion. A separate brochure is available for GLORY & ETERNITY, highlighting their distinctive textures and architectural character in greater detail.

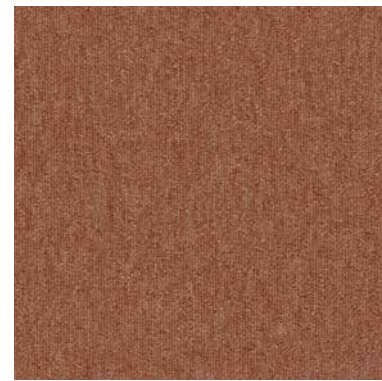

MAJESTY 918

Colour range

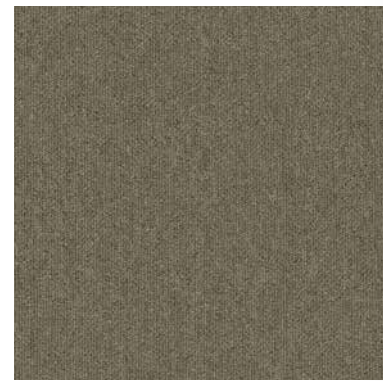

MAJESTY is available in 16 ultra-soft solid tones, while FANTASY introduces two subtle striped expressions.

MAJESTY 204 SUN

MAJESTY 213 APRICOT

Highlights

BITBACK

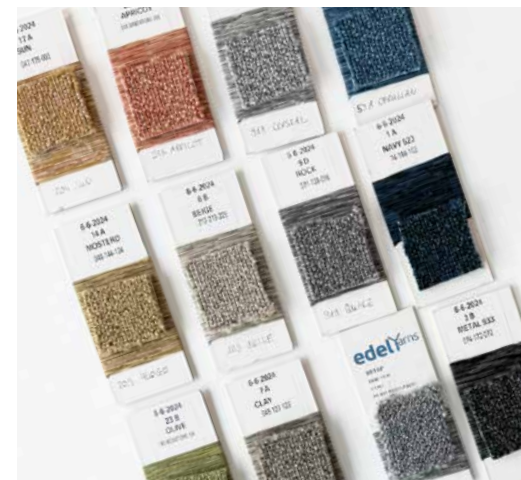

BLOQ uses **Bitback**, Modified Bitumen, which consists of 70% recycled content.

Tiles made with Bitback deliver great acoustic results such as **high sound absorption and insulation**, as well as **noise reduction**. Therefore carpets made with this sustainable backing contribute substantially to personal health and comfort.

SOLUTION DYED YARNS

BLOQ utilises **100% solution-dyed nylon** made from Polyamide 6. By using solution-dyed yarns, the colours are embedded directly into the fibre, providing superior colour fastness and excellent resistance to light and water. This results in a product that performs exceptionally well and lasts a long time.

LIGHT REFLECTANCE VALUES

Light Reflectance Value (LRV) is a measurement scale for visible and usable light that is reflected from an illuminated surface. The percentage indicates how much light a colour reflects or absorbs; 0% reflects no visible light, while 100% reflects all light.

FANTASY	LRV _{av}	L
931	8.26	34.52
939	5.01	26.77

MAJESTY	LRV _{av}	L
103	21.97	54.00
104	16.04	47.03
204	19.74	51.55
209	19.75	51.55
213	16.21	47.25
523	3.92	23.41
531	9.22	36.40
604	17.21	48.52
606	12.43	41.89
912	17.27	48.59
918	23.18	55.25
919	9.80	37.49
933	4.74	25.99
938	6.46	30.54
952	3.16	20.69
973	14.00	44.23

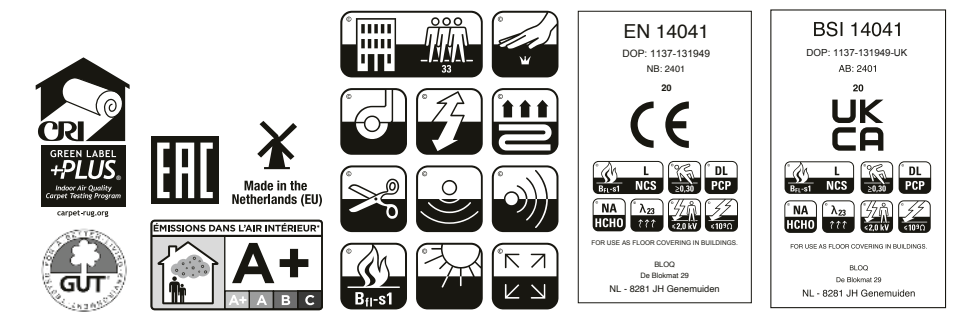

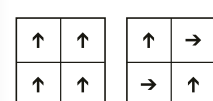

SPECIFICATIONS

- TYPE OF MANUFACTURE** Tufted Loop Pile 1/10"
ISO 2424
- PILE FIBER COMPOSITION** 100% Polyamide 6
ISO 2424 Solution Dyed Nylon
- SECONDARY BACKING** Bitback, Modified Bitumen
ISO 2424 70% Recycled Content
- DIMENSION** 50 x 50 cm
EN ISO 24342
- PILE WEIGHT** 540 g/m²
ISO 8543
- SURFACE PILE WEIGHT** 320 g/m²
ISO 8543
- TOTAL WEIGHT** 4 000 g/m²
ISO 8543
- TOTAL THICKNESS** 5.7 mm
ISO 1765
- PILE HEIGHT** 2.8 mm
ISO 1766
- PILE DENSITY** 0.113 g/m³
